

SCHOOL-BASED MANAGEMENT SYSTEM

PRIVACY POLICY

By using the School-Based Management (SBM) System, you acknowledge that you have read, understood, and agree to abide by the terms outlined in this Privacy Policy.

Introduction

This Privacy Policy explains how we collect, use, and share information related to the School-Based Management System (the "Application"). This Privacy Policy is exclusive to DepEd Tanauan Chapter (the "Organization") and is not transferable to any other entity or individual.

Data Collection

No personal data are collected by the application. Relevant user information is stored on your Organization's specified Google Drive Address.

Data Use

The information we collect is used to:

- Provide, operate, and maintain the application.
- Improve, personalize, and expand the application.
- Understand and analyze how you use the application.
- Develop new products, services, features, and functionality.

Data Sharing

Since the application only stores API usage statistics and does not store personal data or files from users or the developer, data sharing is limited to the following circumstance:

- For Legal Reasons: We may share API usage statistics if we believe it is necessary to comply with a legal obligation, protect and defend our rights or property, prevent fraud, or protect the safety of our users.

Data Security

The developer implements several security measures through Google Services to protect your data.

Changes to the Privacy Policy

The developer reserves the right to update or modify this Privacy Policy at any time. Changes may be made to reflect new legal requirements, updates to our practices, or improvements in our services. We encourage you to review this Privacy Policy periodically to stay informed about how we protect your information.

Contact Information

If you have any questions or concerns about this Privacy Policy, please refer to our Contact Information page.
